# MagiCAD<sup>®</sup> Training

**Welcome to the first 3-days MagiCAD Training Program in Bucharest!**

Progman Oy (Finland) is giving You a great opportunity to attend MagiCAD courses in Your own country!

**22-23<sup>th</sup> April 2008** 9.00 am – 5.00 pm

**MagiCAD Ventilation + Heating & Piping basic course (2 days)**

Price per attendant: 600 € (includes training, training material and lunches)

**24<sup>th</sup> April 2008** 9.00 am – 5.00 pm

**MagiCAD Electrical basic course (1 day)**

Price per attendant: 350 € (includes training, training material and lunch)

Location	Pro Management 1D Vasile Milea Avenue, 2nd. Floor, Sector 6, RO-061341 Bucharest
----------	--

Instructor	Petri Piittala / Progman Oy
Language	English

After the courses You'll get an international Progman Oy diploma.

As an attendant You have a right to ask for a free 1-month trial version of our software!

MagiCAD training saves valuable time. Attending a training course is the fastest way to get to grips with MagiCAD and learn how to utilize all its finest features.

Preliminary registration is mandatory. Please inform us, how many people and to which course(s) are attending, by email: [ruggero.valsecchi@progman.fi](mailto:ruggero.valsecchi@progman.fi) or [vilma.vaitiekaitiene@progman.fi](mailto:vilma.vaitiekaitiene@progman.fi).

Our instructor is looking forward to meeting You at the training courses.
